

Nottingham Business School (NBS) is the largest School at Nottingham Trent University in the UK.

Do you want to become a global leader by studying across two different countries and receiving two Master's Degrees from the prestigious European Universities?

We offer a unique opportunity to study on one of our 2-year long Joint MSc Programmes:

- Joint MSc European Business and Finance
- Joint MSc International Business and Management
- Joint MSc International Finance

Why study at NBS?

- As a student of one of our partner universities, your application process is simple and you are eligible for a reduction in tuition fee.
- Our dedicated programme team will provide advice on local accommodation and will help you with all aspects of the transition process.
- NTU is a leading UK University for student employability. We have over 900 connections with business and industry and regularly welcome specialists on campus to work with our students.
- The dedicated employability team offers personal advice and support to increase our students' competitive edge – helping them stand out in the graduate job market.
- We work with almost 100 international HE partner institutions around the world and welcome visiting academics, who increase our students' international outlook.

To find out more information please contact your local university or look at NTU website:
